A Love Of Tennis McGuinty Grand Slam

September 10-11th 2011

Let's gather together and change our community through tennis. Childhood poverty and obesity are on the rise and we have the opportunity to make a lasting impact in the lives of kids. Through our school tennis program we provide life skills to help break the cycle of poverty though our team tennis program, provide amazing nice environments for kids to play and get more kids active through fun and exciting programs. You can become a part of this exciting program by putting a team into this team event. At the same time you will have an amazing week-end with friends and family.

**\$40 person Sign up as an individual or a team (2 men and 2 women required per team).
This event is for all levels including beginners.**

Team Name: _____ Team Rating: _____

Team Captain: _____ Team Captain Rating: _____

Address: _____ Postal Code: _____
